Māwhera GREY DISTRICT Heart of the West Coast

WELCOME!

Welcome to Greymouth, Heart of the West Coast. We hope you enjoy your time here with us. The area is renowned for its natural beauty so take some time out to enjoy our many scenic walks and natural attractions and don't forget to take in the Pancake rocks at Punakaiki, one of nature's natural wonders. The road from Greymouth to Westport is rated one of the top ten coastal drives in the world according in Lonely Planet. And on top of that we have the gloriously scenic West Coast Wilderness Trail, one of the Great Rides which makes up 'Nga Haerenga, The New Zealand Cycle Trail'.

The West Coast area is rife with old gold tailings and many other historical sites that are well worth exploring, e.g. the historic Brunner Mine site which was one of the country's earliest industrial sites where coal was mined and coke, firebricks and other products were manufactured from the 1860s until the 1940s. Or visit Shantytown, a recreated gold-rush town tells stories of fortitude and pioneering spirit through a fascinating mix of experience and displays.

This directory is aimed at providing a guide for all, with contacts to local clubs and organisations in Greymouth and the Grey District. We endeavour to have the information as accurate as possible but be aware that we rely on voluntary information and public involvement to produce the directory. If you find an error within the directory or wish something new to be added to the next printing, please ring the Grey District Council on 769 8600.

Note: This information is available to the wide public. If you are providing information on behalf of someone, please check they are happy for their details to be included in the directory.

For all clubs and organisations in the Area, please inform us of any changes of address, new clubs/organisations, etc. Without your assistance this directory would be impossible to produce.

REFUSE COLLECTION & WASTE MINIMISATION

KERBSIDE REFUSE AND RECYCLING COLLECTION

Council operates a kerbside refuse and recycling collection service in the greater Greymouth area. This area includes central Greymouth, the CBD, Cobden, Blaketown, Karoro and South Beach.

TWO wheelie bins are issued to each property on the collection route:

1 x 120 litre bin for REFUSE (red lid)
(equivalent to approximately TWO AND A HALF standard refuse bags)

1 x 240 litre bin for RECYCLING (yellow lid)
(equivalent to approximately FIVE standard refuse bags)

These wheelie bins are specific to the property and will have a property identifier stamped onto each bin.

COLLECTION DAYS - RESIDENTIAL

All residential wheelie bins need to be placed out for collection by 7am on collection day and brought back in from the street by 7pm that night.

It operates on an alternating weekly basis, i.e. one week you will put out your REFUSE wheelie bin and the following week you will put out your RECYCLING wheelie bin.

Monday	Blaketown area to Waterwalk Road and Cobden including North Beach
Tuesday	Town area from and including Brunner/Heaphy Streets, Bridge Street, Josephine Street, Bidgood Street, Lydia Street, Kilgour Road, Tindale Road, Devon Street, Perotti Street, Nancarrow Street and Winnie Street
Wednesday	South of Heaphy/Brunner Streets (excluding these streets from Bridge Street to Winnie Street as above) includes Waterwalk Road (properties north of the hospital) to Arnotts Heights and Boddytown
Thursday	Waterwalk Road (properties south of the hospital), Karoro, Paroa to Paroa Hotel, Rutherglen Road to Shantytown turn off

COLLECTION DAYS – CBD

Properties within the CBD will get two collections per week and will need to put their bins out by 7 am on collection day - they will be emptied between 7 am and 8 am.

Tuesday	Businesses to put out their REFUSE wheelie bin. There will also be a cardboard collection - flattened cardboard gets put out on a Tuesday in your recycling bin (note – cardboard only, not any other recyclables).
Thursday	The RECYCLING wheelie bin needs to be put out.

REFUSE BAG COLLECTION

Properties outside of the kerbside recycling route will be issued with refuse ties each year. These ties must be tied around the neck of the rubbish bag placed out for collection or the bag will not be picked up. Vouchers for the ties are sent to ratepayers in June and they can be redeemed in our office or by returning to us in the pre-paid envelope supplied asking for the ties to be mailed out to a nominated address. Note that the voucher is sent to the owner/ratepayer of the property, so if you rent the property you will need to contact your landlord to get the ties for the property you are living in.

COLLECTION DAYS

Monday	Moana, Ruru & Te Kinga
Tuesday	Runanga, Dunollie, Rapahoe and Coast Road to Punakaiki, south of river bridge. Taylorville from State Highway 6 turnoff to Stillwater bridge
