

GREY DISTRICT

Directory of

Clubs and Organisations

Updated 16 May 2012
By Sarah Van Looy

WELCOME

Welcome to Greymouth, Central West Coast. We hope you enjoy your time here with us. The area is renowned for its natural beauty so take some time out to enjoy our many scenic walks and natural attractions and don't forget to take in the Pancake rocks at Punakaiki one of nature's natural wonders. The West Coast area is rife with old gold tailings and many other historical sites that are well worth exploring, e.g. the Brunner coalmine site where 65 miners lost their lives in a mine explosion on the 26th March 1896.

This directory is aimed at providing a guide for all, with contacts to local clubs and organisations in Greymouth and the Grey district. We endeavour to have the information as accurate as possible but be aware that we rely on voluntary information and public involvement to produce the directory. If you find an error within the directory or wish something new to be added to the next printing, please ring Sarah Van Looy at the Grey District Council on 769 8600.

For all clubs and organisations in the Area, please inform us of any changes of address, new clubs/organisations, etc. Without your assistance this directory would be impossible to produce.

Sarah Van Looy, email sarah.vanlooy@greydc.govt.nz or phone (03) 769 8600.
