IN THE MATTER

of the Sale and Supply of Alcohol
Act 2012 (the Act)

AND

IN THE MATTER

of an application by **RUNANGA
RUGBY FOOTBALL LEAGUE
CLUB INCORPORATED** pursuant
to s.120 and s.127 of the Act for a
renewal of the Club Licence in
respect of premises situated at 9
Somerset Avenue, Dunollie known
as the "Runanga Rugby League
Club

BEFORE THE GREY DISTRICT LICENSING COMMITTEE

The Runanga Rugby Football League Club Inc. has applied for a renewal of the Club Licence in respect of premises situated at 9 Somerset Avenue, Dunollie known as the "Runanga Rugby League Club".

The applicant currently holds a club licence.

The general nature of the activity is that of a club. The premise is located on land zoned as rural in the Grey District Plan. The main principal entrance is from the door at the rear of the building that faces north as per plan provided.

The applicant seeks the retention of the existing days and hours of operation:
Friday to Sunday 12midday until 12midnight.

The hours are not extensive and I am satisfied the club operates within its principal purpose as they advise that the bar is only open as a service to members after games.

Neither the Police nor the Medical Officer of Health has any matters in opposition.

Pursuant to s134 of the Act I will deal with the matters on the papers.

REASONS FOR THE DECISION

The applicant has operated for many years and has not come to notice of the reporting agencies in an adverse manner.

The principal activity is a sports club and the inspector reports that the amenity and good order of the area has not been adversely affected and that the applicant has sound host responsibility practices.

There is no evidence before the Committee which would suggest that the applicant would manage the premises in any way which would contravene the requirements of the Act.

The report from the Grey District Licensing Inspector advises he does not oppose the application and recommends the licence be renewed for a further period of three years.

The Police and Medical Officer of Health raise no matters in opposition.

The application was notified in the Council website on 25 June 2017 and no public objections have been received.

I am satisfied that the applicant has sufficient staff and adequate training to manage the Club in accordance with the Act.

As no objection to the application has been filed and no matters of opposition have been raised by the inquiring agencies, the application has been considered pursuant to section 191(2) of the Sale and Supply of Alcohol Act 2012 by the Chairperson of the District Licensing Committee sitting alone.

Overall I am satisfied as to the matters to which we must have regard as set out in s.105 and s.106 and s.131 of the Act.
