REASONS FOR THE DECISION

The applicant club has operated for many years and has not come to notice of the reporting agencies in an adverse manner.

The NZ Police have not opposed the application.

A report from the Grey District Licensing Inspector dated 14 December 2020 advised she does not oppose the application and recommends the licence be renewed for a further period of three years.

The Medical Office of Health does not oppose the application.

As no objection to the application has been filed and no matters of opposition have been raised by the inquiring agencies, the application has been considered pursuant to section 191(2) of the Sale and Supply of Alcohol Act 2012 by the Chairperson of the District Licensing Committee sitting alone.

The principal activity is sports club and the inspector reports that the amenity and good order of the area has not been adversely affected and that the applicant has sound host responsibility practices.

Overall I am satisfied as to the matters to which we must have regard as set out in s.105, s.106 and s.131 and 132 of the Act.
