DECISION

The Grey District Licensing Committee Chairperson, acting pursuant to the Sale and Supply of Alcohol Act 2012, **grants** an application by Runanga Club for the renewal of an Off-Licence pursuant to s.100 of the Sale and Supply of Alcohol Act 2012, in respect of premises situated at 15 Pitt Street, Runanga and known as the "Runanga Club", subject to the following conditions:

CONDITIONS OF LICENCE

1. Alcohol may be sold on the premises for consumption off the premises, or supplied free as a sample for consumption on the premises only on the following days and during the following hours:

a. Monday to Sunday 11.00am to 10.00pm.

2. All on-site off sales shall be from across the bar inside the premises.
3. Alcohol may be sold remotely to club members and delivered from the premises for consumption off the premises.
4. No external advertising for off sales shall be permitted.
5. No alcohol is to be sold on or delivered from the premises on Good Friday, Easter Sunday, Christmas Day or before 1pm on Anzac Day.
6. The whole of the off-licence area is undesignated, as per the site plan attached to the licence.
7. When alcohol is being supplied free as a sample, water is to be provided free of charge at the place where the samples are being supplied.
8. The licensee must ensure that the provisions of the Act relating to the sale and supply of alcohol to prohibited persons are observed and must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
9. The Licensee must ensure the following items are prominently displayed:
 - a. A sign at each principal entrance to the premises, so as to be easily read by patrons, stating the ordinary hours of business during which the premises will be open for sale of off-licence alcohol.
 - b. A copy of the licence, and of the conditions of the licence, attached to the premises so as to be easily read by persons attending the premise.
10. A properly appointed certificated or Acting or Temporary Manager must be on duty at all times, within the licensed area, when the premises are open for the sale and supply of alcohol and their full name must be on a sign prominently displayed in the premises.
11. The licence is subject to the payment of licence fees as required by the Sales and Alcohol (fees) Regulations 2013.

The Premise licensed area is set out on the plan submitted with the application and date stamped 26 March 2025. A note to this effect is to be made on the licence.

REASONS FOR THE DECISION

The applicant has operated their Off-licence without incident or cause for concern.

The Licensing Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent should this application be granted, and that the applicant is suitable to hold this licence.

Police and the Medical Officer of Health do not oppose the application.

The application was duly advertised and no objection, opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

There is no evidence before the Committee which would suggest that the applicant would manage the premises in any way which would contravene the requirements or intention of the Act.

Overall I am satisfied as to the matters to which we must have regard as set out in s.131 and s.132 of the Act.

DATED at GREYMOUTH this 19th day of May 2025.
