## **REASONS FOR THE DECISION**

The business carried out upon the premise is that of a bar, restaurant/cafe and accommodation and are of a kind for which an on-licence may be granted.

The applicant has operated their On Licence for a number of years without incident. The director, Pamela Marjorie Mathieson is an experienced licensee and has been involved in the industry since the business opened.

The school located approximately 400 m from the premises have no objections to the granting of this licence.

The Licensing Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent should this application be granted, and that the applicant is suitable to hold this licence. He does not oppose the application.

The Police and Medical Officer of Health do not oppose the application. No undertakings are sought by the agencies.

This application was duly notified on Council website and no objections were received from members of the public.

Accordingly, I deal with the matter on the papers.

There is no evidence before the Committee which would suggest that the applicant would manage the premises in any way which would contravene the requirements of the Act and it is satisfied as to the matters that it must have regard to as set out in sections 4, 105, 106 and 131 of the Act.
