REASONS FOR THE DECISION

The applicant committee has a current ON Licence No. 55/ON/15/2014 recently renewed on 8 February 2018 for the hours of 8am to 3am.

I am satisfied that the applicant has sufficient staff and adequate training to manage these events safely and in accordance with the Act.

The Inspectors report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent.

The reports of the Police and Medical Officer of Health raise no matters in opposition.

A report from the Grey District Licensing Inspector advised he does not oppose the application.

The Inspector has reported that the certified bar manager is experienced and the committee expect that any bar staff are fully trained for this event. The applicant has advised that three duty managers will be onsite throughout the event along with security.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received. Accordingly I deal with the matter on the papers.

Food as per menu supplied will be provided with two water stations outside and one inside the lodge.

This event was held last year with no problems.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

DATED at GREYMOUTH this 06 day of March 2019
