of the Sale and Supply of Alcohol Act 2012 (the Act)

AND

IN THE MATTER

of an application by **AHNAKA RENEE MANAWATU** pursuant to s.138 of the Act for a Special Licence in respect of premises situated at the Ahaura Domain (3329A State Highway 7) known as "The Ahaura Hunting & Fishing Annual Competition"

BEFORE THE GREY DISTRICT LICENSING COMMITTEE

Ahnaka Renee Manawatu for the Ahaura Hunting & Fishing Competition Committee has made application for a special licence to sell and supply alcohol for an Easter hunting and fishing competition on Sunday 21 April 2019.

The event is being described as a community fundraising Easter hunting and fishing competition for families of all ages.

This is an annual event that has been run for over 20 years and is described as being recognised nationwide as an event to attend.

The event is being held in a marquee at the Ahaura Domain and it is anticipated that there will be approximately 500 people attending. It is a family event for all ages.

The licence hours applied for are 1.30pm – 9pm.

As per previous years the marquee being used is owned by the Ahaura Community and is often used for events. The plan shows the marquee size as being 42m x 12m. This is located at the Ahaura Domain and requires Council consent.

The committee has previously operated Special Licences without major incident and has provided a management plan that details the measures that will be undertaken with regard to responsible sales or supply of alcohol and that harm will be minimised. Police have not reported any concerns and no noise complaints have ever been received. Police have previously conducted compliance visits at the event.

The whole of the premises is designated as an undesignated area.

REASONS FOR THE DECISION

The applicant committee has proven to have run successful events in the past.

I am satisfied that the applicant has sufficient staff and adequate training to manage these events safely and in accordance with the Act.

It is expected the numbers attending will be approximately 500 patrons.

The Inspectors report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent.

The reports of the Police and Medical Officer of Health raise no matters in opposition.

A report from the Grey District Licensing Inspector advised he does not oppose the application.

The Inspector has reported that the certified bar manager is experienced and the committee expect that any bar staff are fully trained for this event. The applicant has advised that multiple staff will be working with a pre-event staff briefing taking place.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received. Accordingly I deal with the matter on the papers.

BBQ food will be available during the event.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

DATED at GREYMOUTH this 11 day of April 2019
