REASONS FOR THE DECISION

The applicant has previously operated Special Licences and has undertaken in their application to provide measures with regard to responsible sales or supply of alcohol and that harm will be minimised.

I am satisfied that the applicant has sufficient staff and adequate training to manage these events safely and in accordance with the Act.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent.

Bar staff will be on duty for both events.

It is expected that as per previous Guy Fawkes events the Dobson Fire Brigade will be present to control the fireworks.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received. Accordingly I deal with the matter on the papers.

The Police and Medical Officer of Health raise no matters in opposition.

The sale and consumption of alcohol will be monitored and anyone showing signs of intoxication will not be served.

Bar food will be available as per the bar menu and club licence and low and non-alcoholic drinks available throughout the evening.

I am satisfied as to the matters to which we must have regard as set out in s. 105 and s.142 of the Act.

DATED at GREYMOUTH this 07 day of August 2019
