REASONS FOR THE DECISION

The applicant has provided host responsibility details which demonstrate that suitable measures will be undertaken with regard to responsible sale or supply of alcohol and that harm will be minimised. They have previously operated Special Licences without incident.

I am satisfied that the applicant has sufficient staff and adequate training to manage these events safely and in accordance with the Act.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received. Accordingly I deal with the matter on the papers.

The applicant has previously operated Special Licences without incident and has undertaken in their application to provide the following measures with regard to responsible sales or supply of alcohol and that harm will be minimised:

- Food is available from the bar
- free water will be available at no charge throughout the events
- Non and Low alcoholic beverage is available for sale

The Police and Medical Officer of Health raise no matters in opposition.

Special Licences have been issued to the applicant in the past 12 months. These events have been undertaken with no concerns for the reporting Agencies or neighbouring properties.

The applicant is reminded that they must ensure noise does not become a nuisance for neighbouring properties and monitors both events vigilantly especially the outside area.

I am satisfied as to the matters to which we must have regard as set out in s.105 and s.142 of the Act.

DATED at GREYMOUTH this 13 day of November 2019
