### REASONS FOR THE DECISION

The Inspectors report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent.

The reports of the Police and Medical Officer of Health raise no matters in opposition.

A report from the Grey District Licensing Inspector advised she does not oppose the application.

In the Inspectors report it has been recorded that the expected numbers attending these 12 x Small events will be less than 100 people.

It is noted that the named manager's certificate expires 5 November 2020. It is expected that this will be renewed for the event being held 15 November 2020.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received. Accordingly, I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.
