REASONS FOR THE DECISION

The applicant has undertaken in their application to provide the following measures with regard to responsible sales or supply of alcohol and that harm will be minimised:

We note that this application has noted there are now two certified duty managers those being Mr Roger Ewer who is an experienced manager and also Miss Jaylene Ann Costello as well as support provided by committee members.

It is noted that the certified bar manager will hold full authority for the management and monitoring of alcohol consumption. The holder of this Special licence will defer to the bar manager should intervention be required.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent, noise is to be monitored by members throughout the events.

The principle front entrance is off Cargill Road, Barrytown with the entire premises being undesignated as per plan submitted.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received. Accordingly I deal with the matter on the papers.

The Police and Medical Officer of Health raise no matters in opposition.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.
