REASONS FOR THE DECISION

The applicant has held numerous special licences in the past with no concerns.

The applicant has undertaken in their application to provide the following measures with regard to responsible sales or supply of alcohol and that harm will be minimised:

- Food being pizzas, savouries and pies etc. will be available during each event.
- Free water will be available at no charge throughout the events from the bar area.
- Tea/coffee is available on request
- Non-alcoholic and low alcoholic beverages will be available.

There are two certified duty managers those being Mr Roger Ewer who is an experienced manager and Miss Jaylene Ann Costello. Support will also be provided by committee members.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent, noise will be monitored by members throughout the events, and he does not oppose the application.

The Police and Medical Officer of Health raise no matters in opposition.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

Section 149(2) notes if a special licence issued is postponed to some other day, the licence is in force on the day on which the event or part takes place.
