## **REASONS FOR THE DECISION**

The applicant has previously held special licences for this event with no cause for concern or issues raised.

The applicant has provided in their application host responsibility details which demonstrate that suitable measures will be undertaken to provide the following measures with regard to the responsible sales or supply of alcohol, and that harm will be minimised by:

- Food in the form of sandwiches, pies and other items, as per the attached menu, will be available on the premises during the licence hours.
- Free water will be available at the bar at no charge throughout the event.
- Non-alcoholic and low alcoholic beverages will be available.
- Assistance with transport will be offered.

The outside area extends 1.5 metres onto the footpath and will be fenced with 2.2 metre high, deer fence type wire. The fencing will be secured into pre-drilled holes in

the footpath. The fence will be removed at the end of racing and patrons will be moved inside to the existing licensed area.

The applicant has permission from the Grey District Council to use the footpath area. A trained security guard will be stationed at the exit of the fenced area to monitor those patrons leaving.

In the event of an emergency, the fencing will be able to be removed quickly to enable evacuation of the area.

There is one certified duty manager, Glen Hopping, who is an experienced manager and there will be eight additional staff assisting at the event.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent and that the applicant is suitable to hold this licence. He does not oppose this application.

The Police and the Medical Officer of Health raise no matters in opposition.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

Section 149(2) notes if a special licence issued is postponed to some other day, the licence is in force on the day on which the event or part takes place.
