### **REASONS FOR THE DECISION**

The applicant has held numerous special licences in the past with no concerns.

The applicant has provided in their application, host responsibility details which demonstrate that suitable measures will be undertaken with regard to the responsible sale or supply of alcohol and that harm will be minimised. These measures include:

- Food in the form of pizzas, burgers, toasties and other items available as per the attached menus.

- Free water will be available at no charge throughout the event.
- Non-alcoholic and low alcoholic beverages are available for sale.
- A courtesy van is available.
- Committee members will be available to assist if required.

There are three duty managers listed, Fiona Scott, Karen Swann and Mark Thomson.

The Licensing Inspector has no objections to the application and reports the applicant is suitable to hold this licence.

Police and the Medical Officer of Health have no objections to the application.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received.

Accordingly I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in Sections 105 and 104 of the Act.
