REASONS FOR THE DECISION

The applicant has previously held special licences with no cause for concern.

The applicant has provided a thorough application with details which demonstrate that suitable measures will be undertaken to provide the following measures with regard to the responsible sales or supply of alcohol, and that harm will be minimised by:

- Food in the form of pies, toasted sandwiches, hotdogs and other items as per the attached menu will be available on the premises during the licence hours.
- Free water will be available at the bar and from an accessible fridge at no charge throughout the event.

- Non-alcoholic and low alcoholic beverages will be available.
- Committee members will be available to assist at the events.
- Courtesy vehicle is available.

There is one certified duty manager, Sharon Smithson, who is experienced in running licensed premises and she has run the speedway facility for the last five seasons. She will have the assistance of trained bar staff.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent and that the applicant is suitable to hold this licence. He does not oppose this application.

The Police and the Medical Officer of Health raise no matters in opposition.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

Section 149(2) notes if a special licence issued is postponed to some other day, the licence is in force on the day on which the event or part takes place.

DATED at GREYMOUTH this 14th day of September 2023
