REASONS FOR THE DECISION

The applicant has previously held special licences with no cause for concern.

The applicant has provided in their application host responsibility details which demonstrate that suitable measures will be undertaken to provide the following measures with regard to the responsible sales or supply of alcohol, and that harm will be minimised by:

- Food, in the form of a pizza, pies, toasted sandwiches and other items as per the attached menus will be available on the premises during the licence hours.
- Free water will be available at the bar at no charge throughout the event.
- Non-alcoholic and low alcoholic beverages will be available.
- A courtesy bus is available.

There are three listed certified duty managers, Fiona Scott, Karen Swann and Charmaine Lockington who are experienced managers. They will be supported by other RSA members.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent and that the applicant is suitable to hold this licence. She does not oppose this application.

The Police and the Medical Officer of Health raise no matters in opposition.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

Section 149(2) notes if a special licence issued is postponed to some other day, the licence is in force on the day on which the event or part takes place.

DATED at GREYMOUTH this 4th day of March 2024
