REASONS FOR THE DECISION

The applicant has over 5 years experience attending similar events.

The applicant has provided in their application host responsibility details which demonstrate that suitable measures will be undertaken to provide the following measures with regard to the responsible sales or supply of alcohol, and that harm will be minimised by:

- Food - many food stalls will be in attendance at Agfest with a wide range of food items available for the duration of the licence period.
- Free water will be available on the counter throughout the event.

There are two certified duty managers, Wesley Mcallister and Peter Forde who will be working at the event.

Alcohol will be provided in 15 ml samples.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent and that the applicant is suitable to hold this licence. She does not oppose this application.

The Police and the Medical Officer of Health raise no matters in opposition.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

Section 149(2) notes if a special licence issued is postponed to some other day, the licence is in force on the day on which the event or part takes place.
