of the Sale and Supply of Alcohol
Act 2012 (the Act)

AND

IN THE MATTER

of an application by **KARORO
BOWLING CLUB
INCORPORATED** pursuant to
s.138 of the Act for an on-site
Special Licence in respect of
premises situated at 2-6 Nelson
Street, Greymouth and known as
“Karoro Bowling Club”

BEFORE THE GREY DISTRICT LICENSING COMMITTEE

Karoro Bowling Club Incorporated has made an application for a special licence to sell and supply alcohol for an event at 2-6 Nelson Street, Greymouth to allow non-members to attend.

The applicant is an incorporated society number 238311 and holds a current Club licence number 55/CLUB/20/2016. The current licensed hours are Monday to Thursday - 8am to 10pm, Friday to Sunday and Public Holidays - 8am to 12 midnight.

The event is a social function for a high school class reunion. The proposed days and hours applied for are **Saturday 31st May 2025, 4.30pm to 11.30pm.**

We make the observation that applications for special licences are required by section 137 of the Act to be filed with the District Licensing Committee's secretariat at least 20 working days before the day on which the event concerned begins. In this case, that requirement has not been met, there being only 16 working days between the time of application and the proposed event. Section 137(2) of the Act allows us to consider an application for a special licence that is filed inside 20 working days prior to the event if we are satisfied that the need for a special licence could not have been foreseen earlier. This is the case for this event, with the failure to apply in the prescribed time appearing not to be a matter of neglect or omission. The secretariat and inspector, with the co-operation of Police and the Medical Officer of Health, have been able to complete the required reports at short notice. We are satisfied that the neglect or omission for those events was not wilful, so pursuant to section 208 of the Act waive the requirement relating to the prescribed time for lodgement of the application.

There is an estimated number of 40-50 people attending the event, with a probable age distribution of 50 years and older.

The premise's principal entrance is from 2-6 Nelson Street, Greymouth.

The clubrooms and bowling green areas are undesignated, as per the plan submitted with the application.

REASONS FOR THE DECISION

The applicant has previously held special licences with no cause for concern.

The applicant has provided in their application host responsibility details which demonstrate that suitable measures will be undertaken to provide the following measures with regard to the responsible sales or supply of alcohol, and that harm will be minimised by:

- Food, in the form of savouries, sandwiches and other items as per the attached menu will be available on the premises during the licence hours.
- Free water will be available at the bar at no charge throughout the event.
- Non-alcoholic and low alcoholic beverages will be available.

There are two listed certified duty managers, Garry Dixon and Leslie Lindbom, who are experienced managers.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent and that the applicant is suitable to hold this licence. She does not oppose this application.

The Police and the Medical Officer of Health raise no matters in opposition.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

I am satisfied as to the matters to which we must have regard as set out in s.142 of the Act.

Section 149(2) notes if a special licence issued is postponed to some other day, the licence is in force on the day on which the event or part takes place.
