REASONS FOR THE DECISION

The applicant has previously operated Special Licences without incident, or cause for concern.

The applicant has provided in their application host responsibility details which demonstrate that suitable measures will be undertaken to provide the following measures with regard to the responsible sales or supply of alcohol, and that harm will be minimised by:

- A substantial range of food will be available at each event, as per the menus supplied with the application.
- Free water will be available throughout the events from the tea and coffee station.

The band is a ticketed event and committee members will be available to monitor the door.

The Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent and she does not oppose the application.

Police and the Medical Officer of Health do not oppose this application.

I am satisfied that the applicant has sufficient staff and adequate training to manage these events safely and in accordance with the Act.

The application was not required to be publicly notified and no opposition or notice of desire to be heard has been received. Accordingly I deal with the matter on the papers.
