Decision written by Mrs Rachel van der Geest on behalf of the Committee.

This is an application by Fay James Trading Limited (the applicant) pursuant to Section 136 of the Act for a Temporary Authority Order (Temporary Authority) in respect of “On the Spot Moana” (the licensed premises) situated at 2137 Arnold Valley Road, Moana.

DECISION OF THE GREY DISTRICT LICENSING COMMITTEE

The application for a Temporary Authority by the applicant in respect of licensed premises situated at 2137 Arnold Valley Road, Moana to sell and supply alcohol from the premises for consumption elsewhere is **granted**.

The Temporary Authority may be issued immediately and will expire three months from the date of issue.

CONDITIONS

The licensee must comply with the conditions set out in the base On-Licence for the premises, licence number 55/OFF/04/2019.

REASONS FOR THE DECISION

This is the first application for a Temporary Authority from the applicant in respect of premises situated at 2137 Arnold Valley Road, Moana known as "On the Spot Moana".

The Temporary Authority is sought to allow the continued sale and supply of alcohol for consumption elsewhere following the sale of the business to the Applicant.

The applicant has provided a copy of a signed Agreement for Sale and Purchase of a Business dated 10 September 2025 under which the applicant is to purchase the assets of the business with settlement on 3 November 2025.

There is no opposition to the granting of this Temporary Authority from the Police.

The Grey District Licensing Inspector is supportive of the Temporary Authority being granted.

The Committee is satisfied in terms of section 136(1) of the Act that the applicant appears to have a right, title, estate or interest in the business conducted at the premises situated at 2137 Arnold Valley Road, Moana.

There is no evidence before the Committee that would suggest the Applicant would manage the premises in any way that would contravene the requirements or intention of the Act, or would suggest a Temporary Authority should not be granted.

Section 136 of the Act provides the Committee with the ability to set any conditions that should apply to the premises operating under a Temporary Authority. In this case the conditions set out in the base licence (55/OFF/04/2019) should be followed.

CONCLUSION

Having regard to the relevant provisions to the Sale and Supply of Alcohol Act 2012 the Committee is satisfied that a Temporary Authority Order should be granted, subject to the conditions set out in the licence 55/OFF/04/2019.
