The specific parts of the application that my submission relates to are: *(give details)*

Negative effects to the environment and road due to heavy trucking activity. This is a very fragile, dangerous road which Waka Kotahi already struggle to maintain. Additional trucking activity would pose a significant risk to cyclists, pedestrians and motorists as well as residents. The proposed mining will have high carbon emissions, where is the emissions report of the activity? How can it be measured against the climate change provisions in the RMA?

My/our submission is that: *(include whether you support or oppose the application or specific parts of it; whether you are neutral regarding the application or specific parts of it; and the reasons for your views).*  
I oppose the application in full, reasons above.
