Yes

My/our submission is that: (state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific proposal, or wish to have amendments made, giving reasons)

I oppose the TIGA application due to the adverse effects the proposed activity will have on the following:

-West Coast tourism, in particular the Coast Rd and Development West Coast's successful marketing of the Untamed Natural Wilderness brand. I've been involved in tourism in Punakaiki, including running an accommodation business and membership of tourism promotion groups for eight years. The TIGA proposal would have a deleterious effect on the image of Punakaiki and surrounds as an attractive tourism destination.

- the Tāiko / Westland petrel, I'm greatly concerned about the light distraction threats to the endangered tāiko

- the impact of heavy trucks on SH6. the road itself and users: the road is fragile Waka Kotahi

I/we seek the following decision from the Local Authority:(give precise details)

I seek that the West Coast Regional Council and Grey District Council do not grant resource consents to TIGA for the activity as proposed.
